

# Using the EcoSan toilet

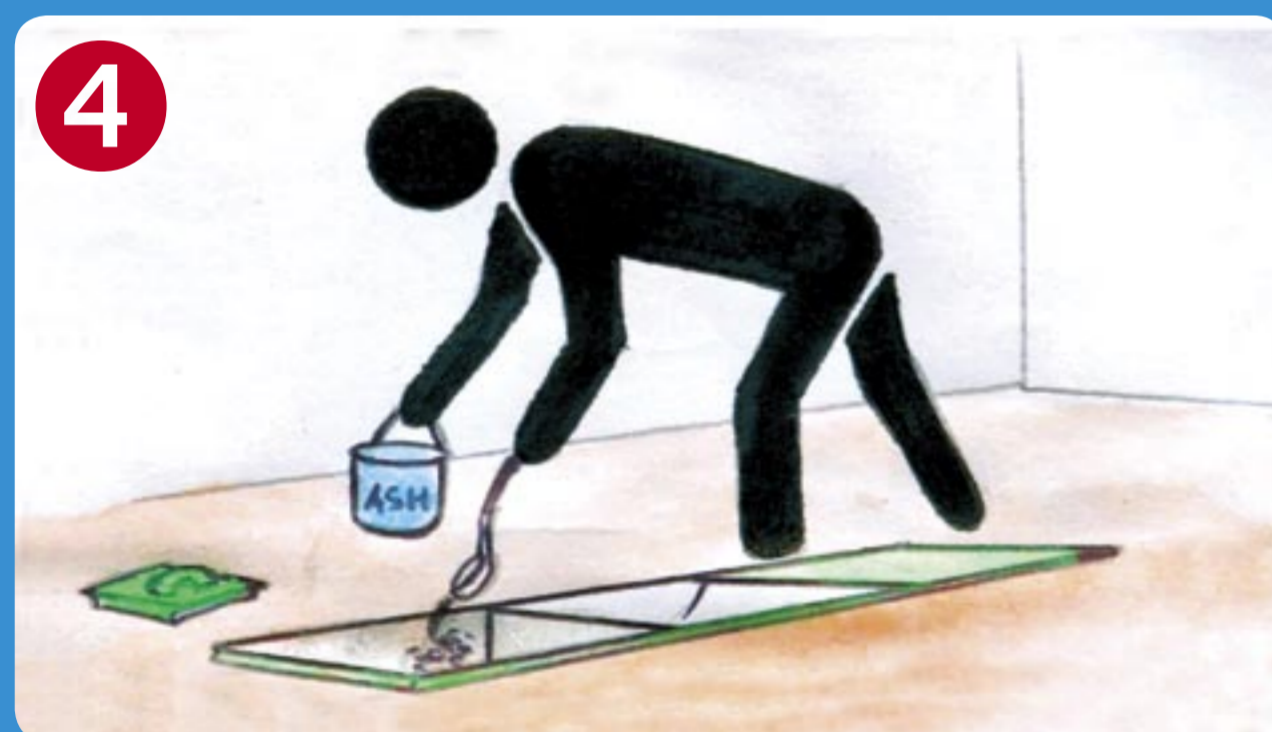

**Lift the lid with the handle**  
Funua kifuniko

**Squat on top of big hole**  
Kwa haja kubwa tumia shimo kubwa

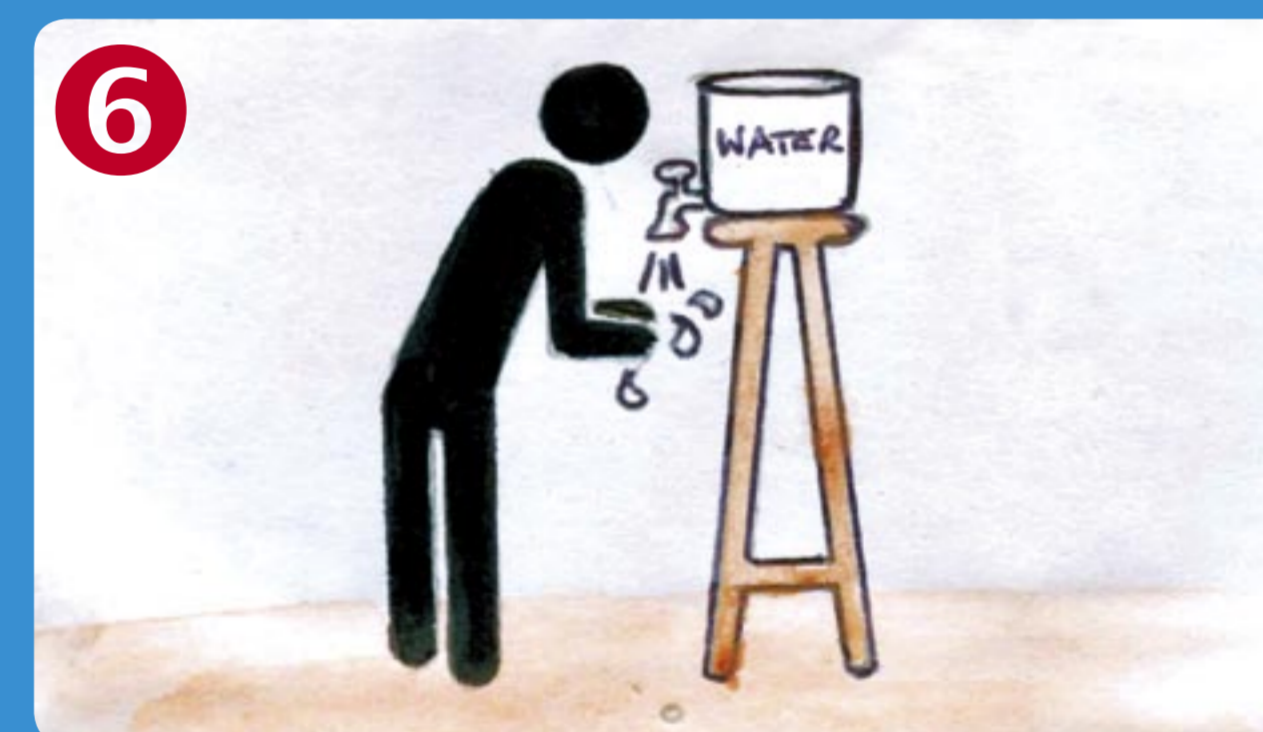

**Dispose used tissue in big hole**  
Tupa karatasi kwenye shimo kubwa

**After use pour ashes into big hole ONLY**  
Mwaga jivu kwenye shimo kubwa PEKEE

**Replace lid after use**  
Funika baada ya kutumia

**Wash hands before leaving toilet**  
Nawa mikono kabla ya kutoka msalani

Ministry of Water  
and Irrigation

EcoSan toilets are the modern way to  
save resources and recycle waste,  
for a cleaner and healthier  
environment

EcoSan Promotion Project
