Knowledge Hub

SuSanA's online knowledge hub provides resources on sustainable sanitation topics. The platform allows you to share your knowledge and activities, to discuss challenges and opportunities and to work collaboratively.

Regional Chapters

- India
- Latin America
- West Asia and North Africa

Discussion Forum

The Forum enables us to freely share knowledge and ideas about sustainable sanitation within the network and beyond.

forum.susana.org

Working Groups

SuSanA members can participate in 13 thematic working groups:

1. Capacity development
2. Market development
3. Renewable energies and climate change
4. Sanitation systems and technology options
5. Food security and productive sanitation systems
6. Cities
7. Sustainable WASH in institutions and gender equality
8. Emergency and reconstruction situations
9. Public awareness, advocacy and civil society engagement
10. Operation, maintenance and sustainable services
11. Groundwater protection
12. WASH and nutrition
13. Behaviour change

Why join SuSanA?

- **Be part of the think-tank** – discuss current and emerging topics in sanitation and contribute to consensus building in the sector and the achievement of the SDGs
- **Share, explore and learn** – access and contribute to one of the largest sanitation libraries, sanitation image collections and sanitation project databases
- **Increase visibility** – present your organisation's work through partner profile pages
- **Get involved and collaborate** – participate in working groups, regional chapters, forum discussions, webinars, as well as SuSanA meetings and events
- **Stay connected** – receive weekly forum digests and news from the SuSanA community
