Pope Francis commissions showers for the homeless under St. Peter's colonnades

On Monday 17th of November work will begin to renovate the public restrooms for pilgrims: there will be a space for homeless people to wash. Ten parishes in Rome will do the same. The report from Pope Francis' Almoner

Congolese archbishop highlights double challenge of Ebola, COVID-19

PRIORITY ACTIVITIES – CRS

- Supporting local health care facilities
- Enhancing community awareness, and water, sanitation and hygiene programming
- Adapting food and livelihoods support for the most vulnerable

Lessons (to be) learned

Rethink our development model as one human family?

- **Subsidiarity**
- **Training, education, culture**
- **Preventive maintenance.**
- **Human rights**
- **Motivation from genuine religious values**
- **Religious groups: presence within the community and reach the unreachable (excluded)**
- **Water high enough on the agenda? And WASH?**
- **Collaboration needs time**

Lessons (to be) learned

Rethink our development model as one human family?

Efforts during COVID19

- Collide with long term development weaknesses.
- Appear weak regarding WASH
- After COVID pandemic:
- All scenarios will require WASH interventions
