

The background of the image shows several large, cylindrical water treatment tanks with a corrugated metal exterior. The tanks are arranged in rows, and the lighting creates a strong sense of depth and perspective. The overall color palette is dominated by the metallic silver and blue tones of the tanks and the sky.

WATER TECHNOLOGY

A large-scale horticulture nursery. The foreground is filled with rows of potted plants, including a dense area of reddish-purple plants and a row of green plants in brown pots. The middle ground shows more rows of green plants. In the background, there are large, cylindrical, corrugated metal water tanks and a paved area. The word "Horticulture" is overlaid in the center.
