Important note:

The tables of suppliers provided here are *not complete listings* but give only an indication of available products. If you spot errors or omissions, please contact us at ecosan@giz.de. All information is provided to the best of our knowledge. In the brackets below each listing the date for provision of the information/last update of information is given. Please be aware that not all information is from 2011. An entry in this list does not imply a recommendation by GIZ. Costs are indicative only.

Additional photos are available in our photo collection on the internet (look for the sets on UDDTs, or use keywords "urine diversion", UDDT, squatting pan):
