

How to add your projects to your partner page: 5 simple steps

1) LOG INTO YOUR SUSANA PARTNER PROFIL

- Under 'Partners and Members' click on 'Édit your Partner Page' to open up the **Comunity Panel**.
- Open 'Projects' and chose the function 'new entry' to enter the title of your project.
- Press 'Create Entry' to add the details to the project. (Note: The project is now created but not yet published.)

Please enter a Title / Name for the Entry!

Create Entry

Press ESC-Key to abort!

2) EDIT ENTRIES

- You can edit the title, add a subtitel and briefly describe your project now.
- Remember to press save on the bottom before the next step.
- There will be sugesstions under the progress bar, which you can follow to complete the upload of your project.

Are the details of your entry below complete?

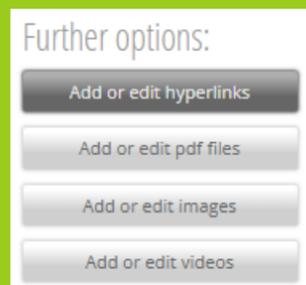

25%

We suggest that you take the following steps to make your project description complete:

- » Select countries and other filters for database search function
- » Add an image or video
- » Place your project on map with a pin

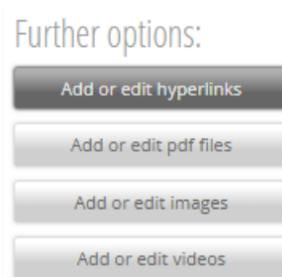

3) ADD IMAGES OR LOGOS

- Use the menu on the right to upload your Logo and/or a descriptive photograph or a video for your project.
- Go to 'add or edit images'.
- Enter image title (required, visible on event page) and copyright.
- Click on 'New image' and browse your computer.
- Upload image.
- Use the option '<<back to last page' of the website to keep the progress (Note: Do not use the back option of your browser, you will lose your progress).

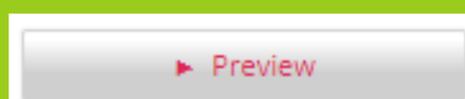

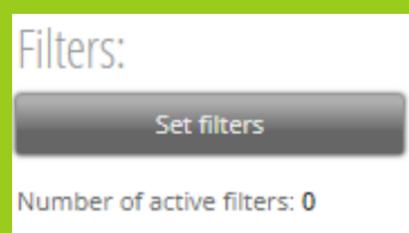

4) ADD DOCUMENTS

- Go to 'Add or edit files'.
- Enter image title (required, visible on event page).
- Click on 'Browse' and choose a file from your computer.
- Open it and click on 'Save your changes'.
- Use the option '<<back to last page' of the website to keep the progress (Note: Do not use the back option of your browser, you will lose your progress).

5) ADD FILTERS AND PUBLISH

- If you click on the filter categories, a drop down menu will appear.
- Select the filters that apply (Note: If you select the regional filters for Asia & Pacific, Latin America & Carribean or West Asia & North Africa the project will appear on the Chapter pages).
- Click on 'Preview' to check your entry.
- If you are done you can publish your project: 'Turn online'.

You will find your published project here:
Project database (susana.org)
